

Description: Enjoy the natural adventure of the Aktun-chen Natural Park. This tour begins with a walk through a spectacular cave of over 5 million years old, that features a great variety of stalactites, stalagmites and columns. The length of the cave is over 600 meters (0.37 mile), and is composed of magnificent vaults. You will also enjoy a beautiful cenote of crystal-clear water of 12 meters (39 feet) depth.

Zip line

Fly over a kilometer (0.62 mile) through the trees' canopy with 10 zip lines and two suspension bridges; contemplate tropical plants and flowers.

Cenote

Refresh yourself and live the magical experience of swimming in a cenote of crystal-clear water inside a cave of over five million years old, snorkeling through stalactites, stalagmites and columns.

The park features a wildlife zoo in an area of 3 hectares (7.4 acres)
